

Mobile Printing Now Available!

Need to print a document from your personal computer, tablet or mobile device? We can do that!

You will need to have Internet access to send the item to print.

To print from a tablet or smartphone app:

Visit your device's app store and install and launch the PrinterOn App.

Click "No printer selected".

Click "Search". Search for APL West Fifth Street

Choose the printer you want (BW or Color). Tap on it and it becomes your saved printer.

Documents: Open the PrinterOn App. Click on Documents. Select where your document is being held. Click to select your document. The document will appear in the Preview. Tap Print. Enter your email address. You can check the status by tapping Print History. When the document says Success, it can be retrieved from the library.

Photos: Open the PrinterOn App. Select where your photo is being held. Select the photo you want to print. The photo will appear in the Preview. Tap Print. Enter your email address. You can check the status by tapping Print History. When the photo says Success, it can be retrieved from the library.
